## **Aquarion Completes Purchase of Water System in Middlebury and Woodbury**

*Connecticut's top-rated water company adds customers and expands service territory*

BRIDGEPORT, CONN. – March 16, 2015 – Aquarion Water Company today announced the completion of the purchase of a water system located in Middlebury and Woodbury, Connecticut.

The system is known as the West Shore System and was formerly owned by West Shore Owner's Association, Inc. It will serve 25 customers in the Lake Quassapaug area of Middlebury and Woodbury.

“We welcome our new Middlebury and Woodbury customers and look forward to providing them with safe, quality, reliable water service for years to come,” said Charles V. Firlotte, Aquarion President and CEO.

With the integration of this water system into its portfolio, Aquarion now serves 51 cities and towns and more than 625,000 customers throughout the state.

### ***About Aquarion Water Company:***

Aquarion Water Company is the public water supply company for more than 625,000 people in 51 cities and towns throughout Connecticut, as well as serving customers in Massachusetts and New Hampshire. It is the largest investor-owned water utility in New England and among the seven largest in the U.S. Based in Bridgeport, Conn., it has been in the public water supply business since 1857. Across its operations, Aquarion strives to act as a responsible steward of the environment and to assist the communities it serves in promoting sustainable practices.
