## **Aquarion Water Company Completes Acquisition of Stonington Water System**

BRIDGEPORT, CONN. – March 13, 2019 – Aquarion Water Company announced today that it has completed the acquisition of the Arlington Acres water system in Stonington, making the system the latest to join Aquarion’s rapidly expanding service area.

The Arlington Acres system, formerly owned by Arlington Homes LLC, serves 392 people. Aquarion serves an additional 13,900 people within its Mystic water system.

“We’re delighted that Arlington Acres customers will join the many others who receive safe, high-quality drinking water from Aquarion,” said Charles V. Firlotte, Aquarion’s President and CEO. “We look forward to providing them the same outstanding technical resources and service capabilities that have made Aquarion Connecticut’s top-rated utility.”

### ***About Aquarion Water Company:***

Aquarion Water Company is the public water supply company for more than 625,000 people in 52 cities and towns throughout Connecticut, as well as serving customers in Massachusetts and New Hampshire. It is the largest investor-owned water utility in New England and among the seven largest in the U.S. Based in Bridgeport, CT, it has been in the public water supply business since 1857. Across its operations, Aquarion strives to act as a responsible steward of the environment and to assist the communities it serves in promoting sustainable practices. Aquarion Water Company is a wholly-owned subsidiary of [Eversource](#).
