

AQUARION WATER COMPANY OF CONNECTICUT
PUBLIC HYDRANT REQUEST FORM

DATE: _____

STREETS: _____

TOWN/CITY: _____

DISTRICT: _____

PROJECT DESCRIPTION:

FIRE OFFICIAL

The following information and action is requested of the fire department:

- Indicate locations of additional hydrants required on project maps.
- Indicate total number of hydrants required: _____
- Have the appropriate fire official sign, print name and title where indicated:

SIGNATURE

TITLE

PRINTED NAME

DATE SIGNED

MUNICIPALITY

The following action is requested of an authorized agent/official, acknowledging that the associated public hydrant annual charges will be paid by them.

Have the authorized agent/official of the municipality complete the following:

SIGNATURE

TITLE

PRINTED NAME

DATE SIGNED

TITLE

- Applicant must obtain the required signatures to complete this form.
- Take the form and your project's site plans to the appropriate fire official for the town in which your project is located.
- The fire official should indicate the desired location of additional fire hydrants on the site plans. They should then sign the form where indicated.
- If applicable - after the fire official has signed, bring the form to the appropriate town official for signature.
- **Please return the signed form to AWC as soon as possible, since your water main installation cannot be scheduled for construction until the completed form and marked up maps are received.**
